Athens, 8 February 2017

Dear Mr. Rector,

It is my distinct pleasure to inform you that the National Institute for International Education (NIIED) under the Ministry of Education of the Republic of Korea will invite two nationals of the Hellenic Republic for “2017 Global Korea Scholarship: Korean Government Scholarship Program for International Student for a Graduate degree” (hereafter called “2017 Graduate GKS”).

The Application Guideline is enclosed herewith, including qualifications, required documents/forms for submission and all other necessary information. Further information about the 2017 Graduate GKS is available at the web-site <http://www.studyinkorea.go.kr>.

Applicants should submit all required documents/forms to the Embassy no later than 20th March 2017 and interviews will be held at the Embassy in due course with a limited number of applicants who have met the application deadline and passed through the documentation review. It is kindly noted that those who

fail to meet one of the qualifications set forth in the Applications Guideline will be automatically disqualified.

In this regard, it would be highly appreciated if the University of Piraeus could kindly disseminate the aforementioned matter to the relevant institutions so that qualified people may apply for the 2017 Graduate GKS in time.

It is my firm belief that such Programs may open new horizons of cooperation and promote exchanges between the University of Piraeus and Korean Universities or Academic Circles.

Please accept my best wishes for your good health and every success in your noble endeavors. I am looking forward to your favorable response.

Sincerely yours,
