<ul style="list-style-type: none"> • Publication of articles • Open seminars for students 	<ul style="list-style-type: none"> • Publication of articles • Participation in the conferences • Applying for additional funding • Master's thesis supervision • Courses for students 	<ul style="list-style-type: none"> • Course of lectures 3 ECTS 	<ul style="list-style-type: none"> • Publication of articles • Participation in the conferences • Application for additional funding • Master's thesis supervision • Short-term courses for students 	<ul style="list-style-type: none"> • Publication of an article • Open seminars for students 	<ul style="list-style-type: none"> • 1-4 courses of lectures 3 ECTS
Compensation¹					
1 398 000 RUB/year (approx. 21 880 USD)	2 400 000 RUB /year (approx. 37 560 USD)	170 000 RUB/course (approx. 2 700 USD) OR expenses coverage	1 192 000 RUB/year (approx. 18 650 USD)	170 000 RUB (approx. 2 700 USD) AND expenses coverage	Expenses coverage

¹ Gross. Subject to income tax - 13% or 30% depending on the status in Russia

HOW TO APPLY

1. Choose a track
 2. Choose your research area, and a potential host Unit that you would like to collaborate with. The list of Units may be found on the main page of our website fellowship.itmo.ru
 3. Contact host Unit to develop research proposal and get the Letter of Support. The Letter of Support must include:
 - purpose and objectives of the Project;
 - project duration;
 - expected KPIs;
 - the amount of money required for its successful completion;
 - signature of the Head of Host Research Lab or Unit.
 4. Check current application deadline and complete the application online
 5. Wait for the result
-

About ITMO University

ITMO University is one of Russia's leading higher education and research institutions. Our focus is on preparing elite scientists, engineers and programmers, notably in the areas of IT, Photonics, Optics, Mechatronics, Robotics, Smart Technologies, Art & Science, and Urban Studies. The University has been ranked 76 in computer science by Times Higher Education, 64 by QS BRICS, and 100-150 in computer science & information systems by QS. ITMO University's mission is to provide opportunities for the holistic development of individuals and to inspire them to tackle global challenges, as the University's philosophy is to be "More than a University".

St. Petersburg as a Destination

St. Petersburg is a modern, vibrant megapolis, welcoming to people from all over the world. With its white nights, tremendous architecture and active culture life, our city is definitely worth visiting. Very conveniently, the main campus of ITMO is located in the heart of St. Petersburg. Join ITMO Fellowship and Professorship Program and come to one of the most beautiful cities in the world.
