Universidad de Oviedo

Your Erasmus+ research internship
in Computer Science!

Apply now!

Duration: 2 months - Deadline: December 15th, 2022

University of Oviedo's Erasmus+ Research traineeship in Computer Science

Duration: 2 Months.
Commitment: Full-time.
Start: 29 May 2023.
End: 21 July 2023.
Vacancies: 5 Erasmus+ trainees.
Requirements: IT BSc or IT MSc students.

During the traineeship you will learn the basics to conduct research on Computer Science through the development of real projects.

You will learn how to design an experiment, to validate hypothesis, to collect raw data, to perform analysis using statistics and machine learning models, to write a journal paper and to design a scientific poster.
