

Dear Sir/Madam,

We are a Berlin based Facial and Character Animation Studio offering 3 month internships to develop skills in 3D animation, modelling, rigging, motion capture and rendering. The founder of Mimic Productions David Bennett, worked with Weta Digital as a manager of the Facial Motion Capture team on Avatar, Planet of the Apes and Adventures of Tintin. Mimic recently worked with Rocksteady on their new Batman game and developed IP soft new artificial intelligence agent.

I would be happy to discuss more about your programs at Babelsberg Film School and how we could work together to harness the talent of the next generation of filmmakers.

Best Regards,

Nicole Olmsted  
Production Coordinator
