ACM Bulletin

Updates to ACM's Privacy Policy

Here at ACM, we take your privacy seriously. We are committed to protecting your data.

We have recently updated ACM's Privacy Policy to align with the General Data Protection Regulation (GDPR). The policy now clearly outlines how we collect, use, store, and protect your data.

Hi Yannis,

We are contacting you because you have had a relationship with IEEE and we would like the opportunity to continue to provide you with the information and services that you have come to rely on from us.

Our Privacy Policy has been updated in accordance with the European data protection regulation known as GDPR, which goes into effect later this month. IEEE customers and members around the world will benefit from many of these changes.

Dear Yannis Theodoridis,

You may have heard about the [GDPR](#) (GDPR), which is taking effect in May 2018. The GDPR improves transparency and data protection by giving you more control over your personal data.

As an ORCID user, you have always been in control of what information is added to your record, who can view that information, and which

We Don't Want You To Miss Important Information

Hi There,

We love having you as a customer, and enjoy sharing the latest information about your products, account, and offers to keep you up-to-date and well-informed.

But in order for us to stay in touch with you, we need your permission, because the new EU General Data Protection Regulation (GDPR) goes into effect on May 25, 2018.

Click the button below to make sure you don't miss any important announcements.

We take your personal data very seriously, if you wish to opt-out of receiving any email please unsubscribe through [this link](#).

Let's keep in touch!

Integrity drives everything we do
management of your personal information

With new General Data Protection Regulation (GDPR) coming into effect on 25 May 2018, we need your consent to continue to collect and use your personal information. Your consent on academic integrity matters is crucial to ensuring the honesty in your secondary students' work.

PRIVACY UPDATE

We are updating our User Privacy Notice to reflect changes we've made to strengthen your privacy rights. This is part of our ongoing commitment to be transparent about how we use your data and keep it safe. We have included changes to address the new standards introduced by the European data protection law known as the General Data Protection Regulation (GDPR).
