

**UNIVERSITY OF PIRAEUS**  
**Department of International Relations**

---

Piraeus, 10.11.2020

**COVID19 PRECAUTIONS**

**Information before the Arrival at the University of Piraeus**

All Erasmus Incoming Students and Staff should hold a negative Covid19 Test, upon their arrival at the University Premises, that has been taken maximum 2 days before they arrive at the University Premises. There is also the possibility, after contacting the International Relations Office of University of Piraeus, to schedule you an appointment to the Metropolitan Hospital in order to be tested with the cost of 70 euro.

**Information after the Arrival and during the stay at University of Piraeus**

*What to do in case of a possible or verified case of Covid-19*

**Information on COVID-19**

For information on the COVID-19, please visit the website of the World Health Organization: [https://www.who.int/health-topics/coronavirus#tab=tab\\_1](https://www.who.int/health-topics/coronavirus#tab=tab_1)

***When someone should be tested for COVID-19?***

If they have:

Acute respiratory infection (which starts abruptly with at least one of the following symptoms: fever, cough, dyspnea) regardless the provision of medical care at a hospital.

AND

80, Karaoli & Dimitriou Str. 185 34 Piraeus –Greece  
Tel: +30 210 414 2245, +30 210 414 2248 Fax: +30 210 4142347  
Email: [publ@unipi.gr](mailto:publ@unipi.gr) , [incoming-erasmus@unipi.gr](mailto:incoming-erasmus@unipi.gr)

At least one of the following epidemic criteria within the last 14 days before the beginning of the symptoms:

Close contact with possible or verified case of SARS-CoV-2 infection (symptomatic or asymptomatic)

OR

Travel history in areas suffering from SARS-CoV-2 based on the current epidemic data.

Every possible case needs to be tested IMMEDIATELY in a medical lab center for the SARS-CoV-2 virus.

There is also the possibility, after contacting the International Relations Office of University of Piraeus, to schedule you an appointment to the Metropolitan Hospital in order to be tested with the cost of 70 euro.

***Actions if a student-staff member shows COVID-19 symptoms during her/his stay at UNIPI***

Student ought to wear a face mask at all times, and if something of the above happens, leave the campus immediately, after informing the responsible contact person (Ms Barbara Sassari [Erasmus-incoming@unipi.gr](mailto:Erasmus-incoming@unipi.gr))

Student needs to be tested (preferably at a public hospital or any other medical centre of their preference).

There is also the possibility, after contacting the International Relations Office of University of Piraeus, to schedule you an appointment to the Metropolitan Hospital in order to be tested with the cost of 70 euro.

If the student does not require medical care at a hospital, and while waiting for the test results, she/he needs to stay self-isolated at home, in a well-ventilated room.

*For emergency help please call 166 from a Greek mobile number, free of charge.*

***Actions if a student-staff member shows Covid-19 symptoms during her/his stay at home***

Student should be tested (preferably, at a public hospital or any other medical center of his/her preference).

Student needs to inform the responsible contact person (Ms Barbara Sassari [Erasmus-incoming@unipi.gr](mailto:Erasmus-incoming@unipi.gr))

If the student does not require medical care at a hospital, and while waiting for the test results, she/he needs to stay self-isolated at home, in a well-ventilated room.

If the test is positive

80, Karaoli & Dimitriou Str. 185 34 Piraeus –Greece

Tel: +30 210 414 2245, +30 210 414 2248 Fax: +30 210 4142347

Email: [publ@unipi.gr](mailto:publ@unipi.gr) , [incoming-erasmus@unipi.gr](mailto:incoming-erasmus@unipi.gr)

Student needs to inform the responsible contact person (Ms Barbara Sassari [Erasmus-incoming@unipi.gr](mailto:Erasmus-incoming@unipi.gr)) while also mentioning any other possible contacts in the campus (students in an auditorium, lab, library etc.).

***When a student-staff member with a Covid-19 diagnosis may return to the University?***

The student with a diagnosed positive test can return to the University 14 days after the beginning of the symptoms AND 3 days after the full remission from fever (without the use of any antibiotics medicine) and the full remission of any symptoms.

The close acquaintances need to be distanced from the student; after receiving instructions regarding their health monitoring, they need to stay at home self-isolated; if they do not show any symptoms, they can return after 14 days.

If the test is negative

The student may return to the University after at least 3 days from full remission from fever (without the use of any antibiotics medicine), and full remission of any symptoms.

**Head of the International Relations Office**

**Dr. Christina Kontogoulidou**
