Biodiversity And Wildlife Conservation Ecological Issues

2nd International Young Scientists Conference on Biodiversity and Wildlife Conservation Ecological Issues

Dedicated to the 75th Anniversary of the National Academy of Sciences of the Republic of Armenia

**Tsaghkadzor, Armenia
5-7 October 2018**

INFORMATION LETTER

DEAR COLLEAGUES!

On behalf of the Organizing Committee, it is an honor and pleasure to invite you to take part in the **2nd International Young Scientists Conference on Biodiversity and Wildlife Conservation Ecological Issues** to be held in the resort town of Tsaghkadzor, Armenia on 5-7 October 2018.

CONFERENCE OBJECTIVE

The purpose of this conference is to bring together young scientists, lecturers, students as well as governmental and non-governmental representatives in the scientific forum to share and discuss new scientific and practical topics in botany, zoology, environmental protection and management, to establish an international and multidisciplinary cooperation between young scientists, and to foster the exchange of research results and experience. Participants should be not older than 35 years old, but interested people of all ages are welcome to attend the conference.

Abstracts (in English or Russian) and/or full-length papers (only in English) are welcome for submission.

Presentation form – plenary, oral and poster

Working languages – English and Russian

Accepted abstracts will be published in the Conference Proceedings with ISBN. Accepted full papers will be published in a special issue of *Biological Journal of Armenia*.

Tours

- Excursion in Tsaghkadzor town
- Visit to Botanical Garden of Sevan town
- Cruise on Lake Sevan

CONFERENCE THEMES

- Biodiversity and nature conservation: species, communities and ecosystems
- Environmental pollution and protection
- Climate change and its consequences
- Environmental issues, management and sustainable development

INFORMATION FOR PARTICIPATION

Papers should be submitted through the online submission system (<http://bioconf.am/registration/>) until 20/06/2018.

Registration fee should be paid until 31/07/2018.

Registration fees

High-income countries – 40 EUR (students – 20 EUR)

Low- and middle-income countries – 20 EUR (students – 10 EUR)
