**Dr. Eleni Kyrkopoulou** is a Post-doctoral Researcher at the Economics Department of the University of Piraeus, Greece.

Her research interests lie mainly in the fields of applied Microeconomics, with a special focus on Immigration, Crime, and the Economics of Education, while her publication record includes top-tier journals such as the ***Journal of Politics***. Eleni is currently a Research Associate at Harvard Business School studying the implications of refugee resettlement and immigration policies in local communities.

Previously, she held a Post-doctoral Fellow position at the Athens University of Economics and Business (2019-2021), where she studied the peer effects of transferred university students on the educational outcomes of their receiving counterparts. Before this, Eleni worked as an Economic Analyst at the National Bank of Greece Research Department, Division of Greek Macroeconomics (2018- 2019). She has previously worked as a Research Assistant at several universities, including the London School of Economics, Oxford University, and King's College London.

Eleni holds a Ph.D. in Economics ('Essays in Immigration and Crime', 2018) from the Athens University of Economics and Business, an M.Sc. in Economics (2012) from the Athens University of Economics and Business, an M.Sc. in Financial Economics from the University of Cardiff (2011) and a B.A. in Business Administration (2008) from the University of Piraeus.
