

CURRICULUM VITAE

Prof. Evangelos Sambracos

NAME : Evangelos SAMBRACOS
PLACE & YEAR OF BIRTH : Athens, 1954
MARITAL STATUS : Married, 2 children
NATIONALITY : Greek
PRESENT POSITION : Professor at the University of Piraeus
Dept. of Economics
Greece
OFFICE ADDRESS : 80, Karaoli & Dimitriou Str.
18534 Piraeus - Greece
E-mail : sambra@unipi.gr
<https://www.unipi.gr/unipi/en/sambra.html>

EDUCATION

- "Ph.D in Transport Economics", State National School of Public Works ("Doctorat d'Ingenieur" ENTPE - Ecole Nationale des Travaux Publics de l' Etat) and University of Lyon 2 - Department of Economics and Business, France 1984
- "Diploma of Advanced Studies in Transport Economics (D.E.A.)", University of Lyon 2 - Department of Economics and Business, France, 1981
- "Diploma in Civil Engineering", Faculty of Engineering, School of Civil Engineering, Aristotle University of Thessaloniki, Greece, 1980

LANGUAGES

Greek, French, English

PROFESSIONAL EXPERIENCE

- 2007- today: Professor at the University of Piraeus, Department of Economics.
- 2002-2007: Professor at the University of Piraeus, Department of Maritime Studies.
- 1998-2002: Associate Prof. at the University of Piraeus, Department of Maritime Studies.
- 1992-1998 : Assistant Prof. at the University of Piraeus, Department of Maritime Studies.
- 1987-1992 : Ministry of National Economy.
- General Direction of Economic Policy
 - Direction of Managerial Planning of Public Enterprises and Organisations (Transport Sector).
 - General Secretariat of Public Enterprises and Organisations, Department of the Direction of Economic Programs (Transport Sector).
- Appointed also as advisor on the topics of transport and port policy, pricing and financing, as well as member of the commission for the National Port Policy.
- 1985-1987 : Military Service.
- 1984-1985 : French Railways (S.N.C.F. - Charge d' Etudes) engaged and presented researches - studies concerning the freight transport services between France and North Italy as well as for suburban railway transport.
- 1983-1984 : Trainee (Stagiaire) at the Direction of South-Eastern France Inland Waterways Transportation of the Ministry of Transport
- 1982-1985 : Research fellow for the Laboratory of Transport Economics, University of Lyon 2, which operates under the supervision of the National Research Centre of France (CNRS).

TEACHING EXPERIENCE

A. University of Piraeus

A1. Department of Maritime Studies

a. Under graduate courses

- Transport Economics (1992-2007)
- Maritime Investment Appraisal (1994-2007)
- Transport Policy (1994-2007),
- Combined Transport (1996-2007)
- Logistics (1999-2001)
- Short Sea Shipping (1998-2007)

b. Post graduate courses

- Applied Transport Economics (2002-2007)

A2. Department of Business Administration

a. Under graduate courses

- Management of Transport Companies (1993- today)

b. Post graduate courses (M.B.A. Tourism Management)

- Management of Travel and Transportation Companies (2004- today)

A3. Department of Economics

a. Under graduate courses

- Transport and Maritime Economics (1993- 2016)
- Investment Appraisal (2007- today)
- Transport and Maritime Policy (1994-2007)
- Environmental Economics (2010-2014)
- Logistics (1999-2001)

b. Post graduate courses (MSc Economic and Business Strategy)

- Maritime and Transport Economics (2007- today)
- Project Appraisal (2007-today)

c. Post graduate courses (MSc Economic of Health Management)

- Investment Appraisal (2008- today)
- Health Inventory and Procurement (2017- 2019)

B. In other Universities:

B1. Aegean University, Dept. of Shipping, Trade and Transport

Courses: Transport Economics (1998-2002)

B2. Athens University of Economic and Business, MSc in Decision Sciences - Logistics and Transport

Courses: Transport Economics (1999-2006)

B3. Aristotle University of Thessaloniki, School of Engineers,

MSc in “Transportation Planning, Organization and Management of Transport Systems”

Courses: Organization and Management of Maritime Transport (2009-2016)

B4. Shanghai Maritime University

MSc in “Transportation Planning, Organization and Management of Transport Systems”

Courses: Shipping and Port Marketing (April - May 2014)

B5. University of Nancy 2

Department of “Sciences Economiques et Gestion”, Centre Europeen Universitaire, Pole Europeen Jean Monnet, Master 2 “Gestion financiere et Espace Europeen”

Courses : Le financement des Transport (short course for a week, 2004-2012) EU Program SOCRATES: Higher Education (ERASMUS) Teaching staff and students mobility.

BOOKS AND CHAPTERS IN BOOKS

- 1) “Transport Economics” Publ. Varvarigou, Athens 2018, p. 495.
- 2) “An Introduction to Transport Economics” 3d Edition, Publ. A. Stamoulis, Athens 2013, p. 397.
- 3) “The Transport Sector and Combined Freight Transport” Publications A. Stamoulis, Athens 2009, p. 243.
- 4) “Economic Exploitation of Ship” with J. Giannopoulos, Publications Eugenides Foundation, Athens 2008, p. 193.
- 5) “Costal Shipping and Short Sea Shipping” with A. Goulielmos, Publications A. Stamoulis, Athens 2002, p. 428.
- 6) “Charbon et Navigation Fluviale en France”, University of Lyon 2, LET, CNRS on the séries «Etudes et Recherches», 184 pages, Lyon, June 1985.
- 7) Sambracos E. and Maniati M., 2020, “The cost of modal shift: the case of Greece” in “Short Sea Shipping in the Age of Sustainable Development and Information Technology” By Tiago A. Santos and C. Guedes Soares, Published by Routledge, p.p. 224-241.
- 8) “The Role of the Corinth Canal in the Development of the Southeastern European Short Sea Shipping” contribution in C. Fokas “Transport Issues And Problems In Southeastern Europe” Ed. Ashgate, ISBN: 0754619702, Dec. 2004.
- 9) “Investment Evaluation of a Suburban Coastal Transport System” contribution in K. Zopounidis “New Trends in Banking Management”, Series “Contribution to Management Science”, ed. Physica-Verlag, Heidelberg, New York, ISBN 3-7908-1488-1 p. 293-305, 2002.
- 10) Edited Proceedings on the 13rd National Conference of the Greek Society of Operational Research on “Transport and New Technologies” held at the University of Piraeus, 30 November, 1, 2 December 2000.
- 11) Edited Proceedings on the 1st One Day Conference on Transport Economics on “Economic Results of Traffic and Parking in Piraeus and his Port”, University of Piraeus, Department of Maritime Studies, 11.5.1994.
- 12) Edited Proceedings on the 2st One Day Conference on Transport Economics on “Navigation - Aviation, Competitiveness and Complementarity” University of Piraeus, Department of Maritime Studies, 5 November 1996.

- 13) Edited Proceedings on the 3st One Day Conference on Transport Economics on “Transport and Tourism” University of Piraeus, Department of Maritime Studies, 20 May 1999

PARTICIPATION IN RESEARCH PROJECTS AND SURVEYS

- "Le Fret Fluvial au Depart de la Region Lyonnais" Laboratory of Transportation Economics, University of Lyon 2, 1984
- "DIGIPLAN". L.E.T. Laboratory of Transportation Economics, University of Lyon 2, E.N.T.P.E., 1984

- "Situation de l'Offre Ferroviaire en Banlieue Lyonnaise". SNCF, 1984.
- "Rhone- Alpes/ Italie Du Nord: Etude de Flux Concernant les Cereales, Produits Siderurgiques Produits Chimiques et Conserves", SNCF, 1985
- "Pre – Feasibility Study on the Construction of a New Road Link 51 Km - Itea", PRAXIS S.A, 1987.
- "Study on the Choice of the Best System for the Transportation of Minerals from Mining Positions to Itea", PRAXIS S.A, 1988.
- "Proposition for the Pubic Urban Transport Services in Athens" KEDKE, 1991
- "Feasibility Study for a Refueling Station of Vessels in Lavrio" IOBE - ETBA 1992.
- "Feasibility Study on the Founding of a Commercial Center in Piraeus, Piraeus Port Authority, EBPA, 1993
- "Feasibility Study on the Operation of a Public Market in Piraeus" University of Piraeus Research Center – Piraeus Municipality, 1993
- Project Leader in "Connection Between Universities (AEI), Technological Institutions (TEI) and Enterprises, Action 2, Presentations of Case Studies from Managers of the Piraeus Port Authority to the Students of the Dept. of Maritime Studies". Research regarding the "Competitiveness of the Piraeus Container Terminal" (1993-1994)
- Project Leader in "PROGRAM FOR THE EDUCATION OF UNEMPLOYED GRADUATES FOR THE CREATION OF MANAGERS OF PORT AND TRANSPORT ENTERPRISES", University of Piraeus Research Center, 1993
- «Recherche de Routes Alternatives Terre-Mer» Institut Francais de la Mer, EU, Direction Générale des Transports, 1993.
- Project Leader in the Project "COMPETITIVENESS OF THE PIRAEUS PORT AUTHORITY CONTAINER TERMINAL", University of Piraeus and Piraeus Port Authority, 1994
- E.U. ERASMUS Project "COOPERATION OF EUROPEAN UNIVERSITIES IN HIGHWAY, TRAFFIC AND TRANSPORTATION ENGINEERING" (1993-1994)
- "FEASABILITY STUDY FOR A SUBURBAN SEA TRANSPORT BETWEEN PIRAEUS AND SOUTH SUBURBS" ETVA Bank of Greece, 1995.
- COST 330 «Teleinformatics links between ports and their partners» as National Specialist (1997-1998)
- EUROSCOPE (Efficient Urban TRansport Operation Services Co-operation of Port Cities in Europe) project in the Transport Telematics sector of the TAP programme of FP4 (DG XIII), (1997-1998).
- EU POSEIDON, Peer Reviewer (1997)
- Project Leader in "SURVEY – REVIEW OF THE EXISTING SURVEYS OF THE MINISTRY OF TRANSPORT" Greek Ministry of Transport, 1997.
- "STUDY ON THE INSTITUTIONAL AND OPERATIONAL REORGANIZATION OF THE PIRAEUS PORT AUTHORITY" Piraeus Port Authority, University of Piraeus Research Centre, 1998
- EU COST 339 «SMALL CONTAINERS» as National Specialist, (1998-2000).
- Project Leader in "EXAMINATION OF THE POSSIBILITIES FOR THE BROADENING OF THE MARKET OF THE CORINTH CANAL S.A.", University of Piraeus Research Center, 1999
- "STUDY ON THE PLAN OF THE DEVELOPMENT OF THE SANTORII AIRPORT", Ministry of Transport – Civil Airport Service, 2000

- Project Leader in EU Erasmus/Socrates Program “TRANSECO, on the Development of a Master’s Program on Transport Economics”, 2000 - 2002
- “Feasibility Study on the Master Plan for the Development of the Santorini Airport”, Ministry of Transport – Civil Airport Service, 2000
- “Feasibility Study on the Master Plan for the Development of the Tripoli’s Airport”, Ministry of Transport – Civil Airport Service, 2003
- Project Leader in “Feasibility Study of Patras - Eleusis Transport Coastal Connection”, University of Piraeus Research Centre, 2003.
- EUROMED Transport Project, as an International Expert, E.U. (2003-2004).
- Participation in “Master Plan of Public Transport Services in Attica”, IBI Group behalf of Athens Public Transport Services (ΟΑΣΑ) (2008-2009).
- Participation in the EU Project “MARPOL (Maritime Policy Support)”, HIT (Hellenic Institute of Transport) CERTH, (2008-2009).
- Project Leader in “Research of the Characteristics of the Market, Permits and Competitiveness of Road Freight Transport in Greece.” University of Piraeus Research Centre, 2010.
- Project Leader in “Research of the Problems And Economic Viability of the Greek Coastal Passenger Shipping under the New International Economic Circumstances”, University of Piraeus Research Centre, 2010.
- Participation in the Project “Green Transport in Island Aria – GreTIA”, University of the Aegean (2012-2015), THALES Programme. The THALES Programme is about “Reinforcement of the interdisciplinary and/or inter-institutional research and innovation with the possibility of attracting high standard researchers from abroad through the implementation of basic and applied excellence research”. The Programme has been co-financed by the European Union (European Social Fund – ESF) and Greek national funds through the Operational Program “Education and Lifelong Learning” of the National Strategic Reference Framework (NSRF). University of the Aegean (2012-2015).
- Participation in "Educational Development Units (E-learning Modules) for Executives Shipping Enterprises (Part A)" in the framework of the project "DEVELOPMENT PLATFORM E-Learning FOR EXCHANGING KNOWLEDGE AND KNOW-HOW IN THE FIELD OF MARITIME AND MARITIME EDUCATION codenamed« E -SHIPPING» Transnational PROGRAMME "GREECE - CYPRUS 2007 - 2013" co-financed by the European Union (ERDF) and by national resources of Greece and Cyprus. (Module: Interaction and Maritime Economy in Greece) 2015
- Project Leader in «Strengthening Human Research Potential through the implementation of Doctoral Research - HERAKLEITOS II”, University of Piraeus Research Centre, 2011-2015.
- Participation in the Project “ESPON European Research for Maritime Economic Clusters Governance Strategy – ERMES”, University of Piraeus Research Centre and Ecorys, European Regional Development Fund, June 2020 - April/2021.

MEMBERSHIPS

- IAME (International Association of Maritime Economists)

- CIT (Chartered Institute of Transport)
- W.C.T.R.S. (World Conference on Transport Research Society)
- I.W.I. (Inland Waterways International)
- TEE (Hellenic Technical Chamber)
- HEL.O.R.S (Hellenic Operational Research Society)
- Hellenic Institute of Transport Engineers
- SETREF (South East European Transport Research Forum)

OTHER SCIENTIFIC ACTIVITIES

- **Member of Editorial Board of the following scientific journals:**
 - “SPOUDAI Journal of Economics and Business” (Editor-in-Chief) (2011- today)
 - “Operational Research an International Journal” (2001-2015)
 - “Les Cahiers Scientifiques du Transport” (2008- today)
 - Guest Editor of the “European Journal of Operational Research” “New Technologies in Transportation Systems, January 2004
 - European Research Studies Journal (2015- today)
 - International Journal of Finance, Insurance and Risk Management (2018-today)
 - “Civitas Gentium”
 - “Archives of Economic History” (2005- today)
 - “International Journal of Economics and Business Administration” (2015- today)

- **Reviewer in the follow Journals:**
 - Transportation Research Part E: Logistics and Transportation Review
 - European Journal of Operational Research
 - Les Cahiers Scientifiques du Transport
 - Research in Transportation Economics
 - Transportation Letters: the International Journal of Transportation Research
 - Empirical Economics
 - International Journal of Global Energy
 - Spoudai Journal of Economics and Business
 - Transportation Letters: The International Journal of Transportation Research
 - Journal of Air Transport Management
 - Ocean Engineering
 - Energy Policy

- **Citations** : 445, h-index:9 (Scholar Google)

- **Supervisor** of 5 PhD Theses (completed) and 3 other PhD candidate

- **Supervisor** in more than 100 MSc Dissertations
- Member of **International and National Scientific Committees** of many Conferences, e.g.
 - International Congress on Transport Research in Greece– ICTR (5th 2010, 6th 2013, 7th 2015, 8th 2017, 7th 2019)
 - International Conference on Applied Business and Economics (ICABE 2019) Thessaloniki Greece, October 21st to 23rd 2019.
 - International Conference on Applied Business and Economics ICABE (2015, 2016, 2017)
 - 3rd Olympus International Conference in Supply Chains (3rd Olympus ICSC). Athens November 7th – 8th, 2015
 - 4th International Symposium and 26th National Conference on Operational Research, which will be held in Chania-Crete, Greece (Creta Paradise Hotel), during 4-6 June, 2015.
 - 18th National Logistics Conference “Sustainable Supply Chain Networks” Thessaloniki, 18 - 19 November 2014
 - «Maritime Safety, Security and Environmental Protection» MASSEP 2013, University of Piraeus, 30 & 31 May 2013.
 - 23rd National Conference of the Hellenic Operation Research Society “Management of Energy Resources / Systems” National Technical University of Athens, 12-14 September 2012.
- **Partner of Agencies of the Public Service**, e.g. a) General Secretariat of Research and Technology (1996) in which took part as Specialist member of the tripartite Committee in the Design (Specification and Contract) of the New Coordinates Program for Research and Innovation in the Transport (EPET II), Member of the Working Group “Transport” on the Program “Technology Perspective in Greece” (2002-2004)
- Member of the **Scientific Committee** for the Identification of Activities at the 12 Main Sea Ports of Greece", Ministry of Maritime Shipping and the Aegean, 2012.
- **External Examiner** for the Kingston University at the MSc of Structural Design and Construction Management of Technological Education Institute of Piraeus (2006-2010).
- Member of the Commission on “Develop a Framework on a Single Agency of Urban Transport in Athens”, (2004-2005)
- Member of the **High Level Group of European Union** for extending the Trans- European Transport Networks, (2004-2005)
- Member of the **Scientific Committee on Transportation Engineering** of the Technical Chamber of Greece (1991 – 2005)

- Participation in the **Summer Course** “STT CAMP” “Shipping & Transport Markets and Business Perspectives” Department of Shipping, Trade and Transport - University of the Aegean, Chios island-Greece, 10th-15th June 2013.
- Member of the **Committee of Experts** operated with the framework of the Central Union of Municipalities and Communities of Greece to report about Urban Transportation on Capital (1991).
- Member of the **Committee of Experts** on the Study «Developing Internal Management System for Maritime Transport» held for the Ministry of Merchant Marine (2000-2001)
- Member of the **Permanent Committee for the Green Transport** at the Ministry of Transport and Communications (2008-2009).
- Participation in the **European Conference of Ministers of Transport** – 1987 ECMT 76 Round Table “The Role of Shippers and Transport Operators in the Logistic Chain, Paris 1987.

PARTICIPATION ON BOARD OF DIRECTORS

- 1987 - 1988 : Board of Directors, Airport of Athens S.A.
- 1990-1992 : Board of Directors, Piraeus Port Authorities (OLP)
- 2004-2007 : Board of Directors – Vice President, Athens Trolley Bus Company (HLPAP)
- 2017- 2020 : Vice President of the Department of Economics of the University of Piraeus
- 2001-2003 : Vice President of the Department of Maritime Studies of the University of Piraeus
- 2002-2008 : Founder and Director of the Transport Economics Laboratory of the Department of Maritime Studies of the University of Piraeus
- 2015-today: Founder and Director of the Transport Economics and Sustainable Mobility Laboratory, Department of Economics, University of Piraeus.
